

JUNE 4-JUL 26

TAKE YOUR COURSES ONLINE!

Lee Virtual School Offers Summer Courses for students
in Grades 7-12

Lee Virtual School is accepting course requests for summer session right now! Students should meet with their school counselor right now to sign up for a course and be enrolled in their summer session course no later than May 1.

Students requesting courses should indicate Lee County Virtual School and a May 14th start date*. This will allow students to start May 14th and work an abbreviated 10 week pace chart to complete 1 semester (0.5 credit) courses. Driver education (Traffic Law & Substance Abuse Education course) and HOPE are also available online and can be completed well within the timeframe. Lee Virtual teachers are available to assist students throughout the week during the summer session.

Please contact the Lee Virtual School office at 239-337-8178 for additional information.

Lee Virtual Summer School 2018: Don't miss the bus!
